Below this is a blue navigation bar with the CA.GOV logo, home, social media icons, and links for "About OPR", "Publications", "E-Lists", "Contact Us", and "Settings". The main content area features the "Governor's Office of Planning and Research" logo and a row of service icons: "Clearinghouses", "CEQA", "Facts and Metrics", "Planning and Land Use", "Meetings and Events", and "Search". Below these icons are four large white boxes with blue headers: "State Clearinghouse", "CEQA Document Submission", "CEQAnet", and "Adaptation Clearinghouse". The "CEQA Document Submission" box contains a sub-link for "Federal Assistance", which is highlighted with a red rectangular border. Below the service boxes is a large banner image of a river with rocks and trees. The text on the banner reads: "We serve the Governor and the Cabinet as staff for long-range planning and research, and constitute the comprehensive state planning agency." An "About OPR" button is located at the bottom center of the banner.

## Review of Federal Programs

The State Clearinghouse (SCH) serves as the state's Single Point of Contact for the review of federal assistance applications pursuant to [Presidential Executive Order No. 12372](#). Notification of all federal assistance applications must be provided to the SCH pursuant to [Assembly Bill No. 1348](#), which in turn publishes this information for review and comment by State and local elected officials. [SAM Section 0912](#) requires that departments submit new federal funds through the SCH and then through Finance through a DF-24 notification prior to applying for funds.

The SCH does not administer grant programs or offer any grant funding. Please visit [grants.gov](http://grants.gov) for funding opportunities.

*Prepared for  
Governor's Office of Planning and Research  
State of California*

# 2020 Update: Uniform Guidance

---

## Learning Objectives

- Name past federal regulations, legislation, and other federal actions that impacted the uniform guidance.
- Explain past funding issues that placed grants at risk.
- Identify the proposed 2020 updates.
- Raise awareness about technology and data.

## A Few Words

# 2020 Update: Uniform Guidance

---

## A Few Words

The uniform guidance is a living document.

Revisions occur over time as new legislation and other requirements are implemented.

OMB released a proposed update to the uniform guidance on 1/22/20.

# 2020 Update: Uniform Guidance

---

## A Few Words

In addition to OMB, there are other influences such as the President's Management Agenda, Executive Orders, and Presidential Memos.

Developments in technology and use of data are also changing the way we manage federal funding.

## Recovery of Improper Payments

The need for greater stewardship of federal funds and the risk of waste, fraud, and abuse, have resulted, not only in updates to the uniform guidance, but also in recovery audits.

# Learning Objective #3

---

## Identify New 2020 Updates

# LO3: Updates

---

## ***Federal Register 1/22/10 Proposed Rule***

- OMB published the proposed changes in the Federal Register.
- Vol 85, No. 14, Pg. 3766.
- The *Federal Register* notice:  
<https://www.federalregister.gov/documents/2020/01/22/2019-28524/guidance-for-grants-and-agreements>

# LO3: Updates

---

## Federal Register 1/22/20 Proposed Rule

- A "track changes" version of the proposed guidance:  
<https://www.performance.gov/CAP/innovation-sessions/Grants-CAP-Goal-Proposed-2CFR-Revision1.pdf>
- Public comments are requested at [www.regulations.gov](http://www.regulations.gov), docket OMB-2019-0005, through 3/23/20.
- Final Rule will be subsequently published.

# LO3: Updates

---

## Four Strategies

- Standardize grants management business processes and data.
- Build shared IT infrastructure.
- Manage risk.
- Achieve program goals and objectives.

# LO3: Updates

---

## **Four Parts under 2 CFR have Updates**

- 2 CFR 25.
- 2 CFR 170.
- 2 CFR 183 (new).
- 2 CFR 200 (uniform guidance).

# L03: Updates

---

## 2 CFR 25 UEI and SAM.gov

- Transition from DUNS to UEI.
- Nonfederal entities must register or renew annually in SAM.gov.
- Registrants must also provide information on owners, predecessors, parent and subsidiary companies, in addition to the organizational information.

# L03: Updates

---

## 2 CFR 25 Appendix A

- *“...you as the recipient must contain current information in the SAM. This includes information on your immediate and highest level owner and subsidiaries, as well as on all of your predecessors that have been awarded a federal contract or grant within the last three years...”*

# LO3: Updates

## UEI and Federal Register 7/10/19 (84 FR 32916)

- GSA announcement.
- Phase-out of DUNS through 2020.
- Non-proprietary 12-digit number.
- Assigned at SAM.gov renewal.
- Login.gov authentication.

# LO3: Updates

## UEI and General Services Administration

- Links:
  - Go to <https://www.login.gov> to check authentication credentials.
  - Visit [www.gsa.gov/entityid](http://www.gsa.gov/entityid) to read about the unique entity identifier (UEI) to replace DUNS.
  - Article: <https://kanoco.com>.

# LO3: Updates

---

## 2 CFR 170 Subaward Reporting

- Require award and subaward reporting on the OMB-designated, government-wide website.
  - Agencies must report awards over the micro-purchase threshold.
  - Award terms must be included for awards over \$30,000.

# LO3: Updates

---

## 2 CFR 170 Subaward Reporting

- Reporting includes awards to federal agencies, foreign organizations, foreign public entities, and for-profits.
- Reporting for subawards over \$30,000.

# LO3: Updates

---

## **2 CFR 183 – Never Contract with the Enemy**

- NDAA of 2015 included requirements for the federal contract community not to award federal contracts to hostiles or combatants.
- NDAA of 2015 sunset December 2019.
- New 2 CFR 183 continues the requirement for the contract community and extends to the grant community.
- Applies to grants over \$50,000 performed outside the US.

# LO3: Updates

---

## **Updates for 2 CFR 200 Uniform Guidance**

# LO3: Updates

---

## Subpart A – Definitions 200.1

- Separate provision numbers removed.
- All definitions under 200.1 for ease of addition and/or removal.
- Definition of nonfederal entity was not revised:
  - Missing foreign public entity, foreign organizations, for-profits.
  - Also missing federal agency (as a recipient).

# LO3: Updates

---

## Standard and Common Forms

- Standard forms are used by all federal agencies, government-wide.
- Common forms are used by two or more federal agencies, or government-wide.
- OMB prefers use of “common” form to encourage federal agencies to work toward common data solutions, increased efficiency, and better accountability.

# LO3: Updates

---

## Standard Form (SF 424B) - Assurances

- M-18-24.
- Phased-out use of SF 424B in proposals in 2019.
- Assurances transition from Grants.gov to SAM.gov.
- Nonfederal entities sign representations and certifications at time of renewal.

# LO3: Updates

---

## **In General - Updates to Other Forms**

- Standard forms still used for financial reporting.
- SF 425 updated, expiration 2/28/22.
- Property forms updated.
- Expiration date printed in footer.
- Access latest copy of forms from Grants.gov under forms tab.

# LO3: Updates

---

## **Applicability 200.101(a)(2)**

- Federal agencies may apply Subparts A-E to for-profit entities, foreign public entities, or foreign organizations.
  - Not “must.”
- Questions remain about Subpart F audit and federal agencies who receive awards from other federal agencies.
- This does not match the revised language in 2 CFR 25 and 2 CFR 170.

# LO3: Updates

---

## Metrics and Reporting 200.109

- Metrics every five years since 2013.
- M-14-17 reaffirmed metrics.
- M-17-26 rescinded metrics (and COFAR).
- “Metrics” now at [www.performance.gov](http://www.performance.gov) for the President’s Management Agenda, CAP Goal 8: Results-Oriented Accountability for Grants.

# LO3: Updates

---

## Effective Date 200.110

- Negotiated indirect cost rates remain in place until re-negotiated.
- Changes to indirect rates become effective at the nonfederal entity's next fiscal year.

# LO3: Updates

---

## **Program Planning and Design 200.202 (New)**

- Grants and cooperative agreements must achieve program goals and objectives.
- Supports PMA.
- Granting agencies to hold recipients accountable for performance.
- Reflects Evidence Act to advance data and “evidence-building functions.”
- Logic models may be used.

# L03: Updates

---

## Public Notice of Funding Opportunities 200.203

- Catalog of Federal Domestic Assistance (CFDA).
- CFDA becomes Assistance Listings.
- Old website [www.cfda.gov](http://www.cfda.gov).
- New website <https://beta.sam.gov>.
- Listing must align with federal agency's strategic plan and Part 6 of OMB A-11 to include performance measures, management, and required reporting.

# LO3: Updates

---

## **New 200.215 Never Contract with the Enemy**

- New provision to align with 2 CFR 183.
- For federal grants and cooperative agreements over \$50,000 to be implemented outside the United States.

# LO3: Updates

---

## **New 200.216 Prohibition on Certain Equipment**

- Communications and video surveillance.
- List of known companies to avoid.
- Other companies, as identified by Secretary of Defense, National Intelligence Director, or FBI.

# LO3: Updates

---

## **Performance Measurement (200.301)**

- Federal awarding agencies and nonfederal entities must measure performance.
- Performance goals, indicators, and milestones must be included in award agreement (200.211).
- Must align with Evidence Act.

# LO3: Updates

---

## **Procurement (200.316 – 200.325)**

- Three-fiscal year grace period for procurement, ended FY 2018.
- FY 2019 first year all nonfederal entities must follow the procurement provisions.
- Previous citations 200.317-200.326, now 200.316-200.325.
- New and revised requirements in 2020.

# L03: Updates

## Procurement Thresholds (200.319)

- NDAA 2017 and 2018 raised procurement thresholds.
  - Micro-purchase from \$3,500 to \$10,000.
  - Simplified Acquisition Threshold from \$150,000 to \$250,000.
- Uniform guidance is now updated.

# LO3: Updates

## Procurement Thresholds

- FAR not yet updated.
- M-18-18 allows use of new thresholds in advance of updates.

# LO3: Updates

## Significance of Procurement Thresholds

- Any purchase below the simplified acquisition threshold is considered a small purchase (200.319(a)(2)).
  - No need for a bid process.
  - Adequate number (2-3) price quotes.
  - Much simpler procurement.

# LO3: Updates

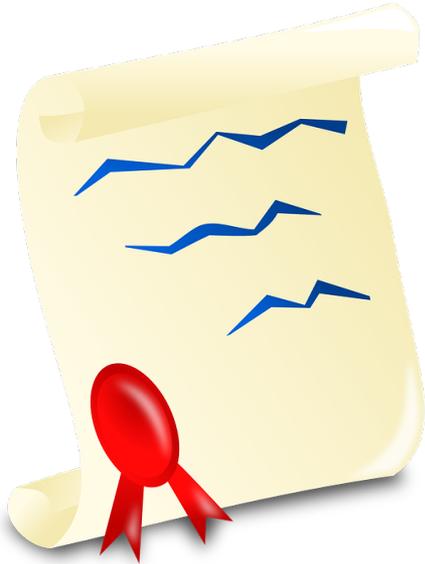

---

## **Procurement and Buy American (200.321) (New)**

- Nonfederal entities are encouraged to use goods, products, and materials that are produced in the United States.

# LO3: Updates

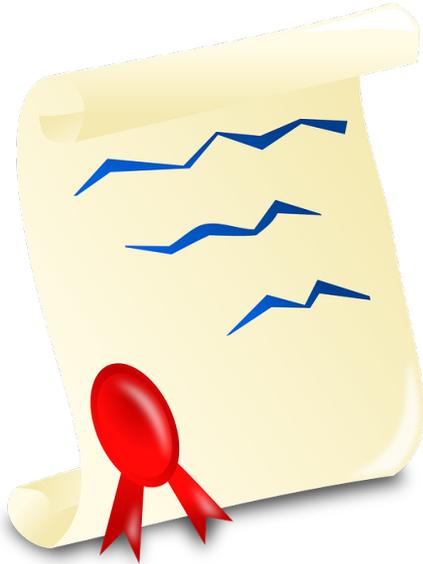

## Grant Reporting (200.328)

- Grant Reporting Efficiency and Agreements Transparency (GREAT) Act.
- Enacted into law 12/30/19.

# LO3: Updates

## GREAT Act

- Government-wide data standards in one year.
- Implement new standards in two years.
- Publish grant reports on government-wide website.

# LO3: Updates

---

## **Machine-Readable Formats 200.335**

- OMB to clarify collection, transmission, and storage of data.
- Supports PMA CAP Goal 2.
- Supports Evidence Act.

# LO3: Updates

---

## Indirect Costs/De Minimis Rate 200.414(f)

- Expanded use of the *de minimis* rate – any nonfederal entity may elect to use the 10% *de minimis* rate on MTDC, unless a state/local/tribal agency expending more than \$35M in federal awards a year (Appendix VII).
- All negotiated rate agreements will be posted on a new public website.

# LO3: Updates

---

## Closeout 200.343

- Subrecipients to submit final reports to pass-through entities within 90 days of the end of period of performance.
- Recipients (including pass-throughs) must submit final report to federal agencies by 120 days, increased from 90 days.
- Federal agencies must complete closeout by one year after end of period of performance.

# LO3: Updates

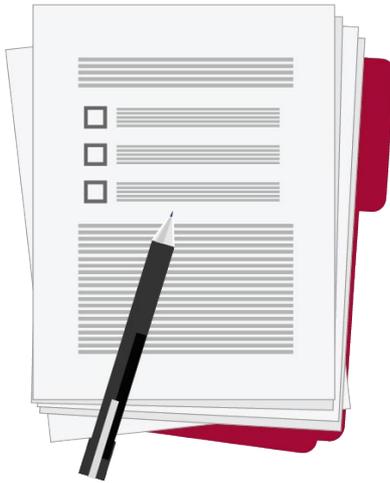

## Closeout 200.343(h)

- If NFE does not submit final report on time, federal agency must close the project using available information and must report the NFE in FAPIIS as a material failure to comply with award terms.

*“(h) If the non-Federal entity does not submit all reports in accordance with this section, and the terms and conditions of the Federal Award, the Federal awarding agency must proceed to closeout with the information available, within one year of the period of performance end date. The Federal awarding agency must report the non-Federal entity’s failure to submit required reports to the OMB-designated integrity and performance system (currently FAPIIS) as the non-Federal entity’s material failure to comply with the terms and conditions of the award. Federal awarding agencies may also pursue other enforcement actions per §200.338.”*

# LO3: Updates

## 2019 Compliance Supplement Appendix IX

- Reduce administrative burden.
- Decrease compliance tests from 12-6 per program.
- Part 2 Matrix identifies the compliance tests for each program.
- The 2020 Compliance Supplement is not yet released.

# LO3: Updates

---

## Timeline of Changes

- 1/22/20 proposed rule published in FR.
- 3/23/20 public were comments due.
- OMB is reviewing public comments to incorporate those, as appropriate, into the Final Rule.
- Final Rule will be published in the FR, timeline TBD.

# LO3: Updates

---

## Key Presidential Memos – COVID-19 and Grants

- M-20-11
  - Admin Relief for Recipients (of COVID-19 grants).
  - Loss of operational capacity.
- M-20-17
  - Expanded M-20-11 to all recipients.
